

course objectives

- To provide students with a holistic education – focused on increasing their intelligence quotient, spiritual quotient, emotional quotient and physical quotient.
- To provide students with hard and soft skills, making them more marketable when entering the workforce.
- To educate students on their social responsibilities as citizens of India and have a greater sense of social responsibility.
- To provide students with a value-based education which will enable them to be successful in their family, professional, and social relationships by improving their moral and ethical values.
- To teach self-analysis and self-improvement exercises to enhance the potential of the participants.
- To have a broader sense of self-confidence and a defined identity.

CE - Continuous Evaluation; ESE- End Semester Exam;

course evaluation

theory

- Continuous Evaluation consists of 40 marks. There will be a mid-term exam which will assess the current progress of students, it assessed out of 20 marks and will be equivalent to 20 marks of the Continuous Course Evaluation (CE). There will be a submission consisting 10 marks as per the guidelines of course coordinator and average of the attendance consisting 10 marks (minimum 60 percentage attendance is required).
- End semester exam (ESE) section I (30 marks) and section II (30 marks).

outcomes

- After completing the IPDC course (lecture and full participation in activities/challenges), we would like to see PPSU students:
 - a. To have gained a greater sense of social responsibility
 - b. To have gained marketable hard and soft skills that would directly apply to their future careers
 - c. To have gained greater insight and ability to navigate their family, social, and professional relationships along with difficult situations which may arise in their life
 - d. To have a broader sense of self-confidence and a defined identity
 - e. To have greater value for living a moral and ethical life based on principles taught in the course
